

Guangzhou Discrete
Mathematics Seminar

Gallai Ramsey number of graphs

Yaping Mao

Qinghai Normal University, Xining, China

28 June 2019 (Friday), 3pm to 4pm

Room 519, School of Mathematics, Sun Yat-sen University

In this talk, we introduce the concepts of Ramsey number and Gallai Ramsey number. The progress of Gallai Ramsey number is also given. We also introduce the Ramsey number and Gallai Ramsey number of books, unicyclic graphs, odd cycles, fans, wheels and stars with extra independent edges.
